Passenger Front Door _____

Passenger Front QP _____

Hood _____

Front Bumper _____

Headlights _____

Brake lights _____

Blinkers _____

Running lights _____

License Plate Light _____

Backup light _____

Hazard Lights _____

Luggage Area (Jack/tools) _____

Spare Tire _____

Wheel lock _____

Windshield _____

Rear Window _____

Side Mirrors _____

Interior Inspection

All Warning Lights on Pre-Ignition _____

Fuel Gauge operation _____

Radio / CD / Navi _____

Antenna _____

Rear view Mirror _____

Windows Operable _____

Door Locks _____

Alarm Operation (KeyFob) _____

Seat Belts _____

Windshield Wipers _____

Rear Defrost _____

Drivers side Vanity Mirror _____

Passenger side Vanity Mirror _____

Power Seat Operable _____

Interior Lights _____

Sunroof Operable _____

Fuel Cover/ Hood Latch/ trunk lip release _____

Seats heater _____

Fabric Tears/rips _____

Road Test

Starting (Cold/Hot) _____

Drive-ability (Smoothness) _____

Acceleration (Power, A/T Shift Points) _____

Braking (Noise, Vibration, Effort) _____

A/T Shift Quality / M/T Shifter Operation _____

M/T Clutch (Smoothness, Effort, Slippage) _____

CV Joint Noise _____

Idle Vibration (Hot/Cold) _____

Steering (effort, Drifting R or L) _____

Cruise Control Operation _____

Parking Brake Operation _____

Horn Operation _____

Speedometer/odometer operation _____

Heater/Defroster Operation _____

Tire Vibration _____

Engine operation Temperature _____

Under The Hood

Radiator (Leaks, Road Hazzard, Damage) _____

Cooling Fan Operation _____

Coolant (replace if rusty) _____

Power Steering (Fluid level, Belt Tension) _____

Distributor (if Applicable) _____

Ignition Wires _____

Fuel System Connection _____

A/C Compressor (Proper Cycling, Belt Tension) _____

Heater Valve Adjustment _____

Alternator Belt Tension _____

Valve Noise _____

Engine Mount Condition _____

A/C Condenser (Corrosion, Road-Hazard Damage) _____

Under the Vehicle

Tire (all Four Matching, Dry rot, Treadwear) _____

Wheels/ Rims (Rash, Bent) _____

Valve Stems _____

Engine (oil Leaks, Drain Plug Threads) _____

Transmission Leaks _____

Coolant Leaks _____

Driveshaft boots _____

Caliper leakage _____

Rear lining thickness _____

Rear wheel cylinder leakage _____

Rotor Thickness and Surface _____

Caliper Free movement _____

Rear Drum Thickness and Surface _____

Hydraulic Hose _____

Strut/Shock Absorber Leakage _____

Ball Joint Tightness _____

Steering/Power Steering Leakage _____

Tie Rod End Tightness _____

Exhaust System (Leak, Holes) _____

Services To Perform

Perform Alignment _____

Engine oil and Filter _____

Air Filter _____

Brake Fluid (Replace as necessary) _____

Wiper Blades _____

Coolant if Contaminated _____

Brakes Pads/Shoes _____

Battery - if more than 3 years old or load test _____

Timing belt - Replace if needed _____

ATF Fluid Flush if Discolored _____
